Free eBooks - Project Gutenberg

Some of the Latest eBooks

Welcome

Project Gutenberg is a library of over 60,000 free eBooks. Choose among free epub and Kindle eBooks, download them or read them online. You will find the world's great literature here, with focus on older works for which U.S. copyright has expired. Thousands of volunteers digitized and diligently proofread the eBooks, for enjoyment and education.

No fee or registration! Everything from Project Gutenberg is gratis, libre, and completely without cost to readers. If you find Project Gutenberg useful, please consider a small donation, to help Project Gutenberg digitize more books, maintain our online presence, and improve Project Gutenberg programs and offerings. Other ways to help include digitizing, proofreading and formatting🔒, recording audio books🔒, or reporting errors.

Project Gutenberg Mobile Site

No special apps needed! Project Gutenberg eBooks require no special apps to read, just the regular Web browsers or eBook readers that are included with computers and mobile devices. There have been reports of sites that charge fees for custom apps, or for the same eBooks that are freely available from Project Gutenberg. Some of the apps might have worthwhile features, but none are required to enjoy Project Gutenberg eBooks.

Find Free eBooks in the Project Gutenberg Library

- Basic Search by keyword or field, also "Latest" and "Random" eBooks.

Terms of Use

Our eBooks may be freely used in the United States because most are not protected by U.S. copyright law, usually because their copyrights have expired. They may not be free of copyright in other countries. Readers outside of the United States must check the copyright terms of their countries before downloading or redistributing our eBooks. We also have a number of copyrighted titles, for which the copyright holder has given permission for unlimited non-commercial worldwide use.

The Project Gutenberg website is for human users only. Any real or perceived use of automated tools to access our site will result in a block of your IP address. This site utilizes cookies, captchas and related technologies to help assure the site is maximally available for human users only.
